NOOSA PROPERTY

DOWLING & NEYLAN
SINCE 1976
REAL ESTATE

Welcome to our Spring edition of 'inside Noosa Property'

Spring is in the air and with it comes a lift in buyer sentiment.

There has been a real increase in buyer enquiry since May & sales are occurring right across the greater Noosa area. Savvy investors are recognizing the incredible value on offer in some of Noosa's best locations and they are taking action.

There was a time when many people found themselves priced out of Noosa's most sought after locations & now they are feeling they have a second chance. For those that understand the real value of the Noosa environment, it's unique lifestyle and true rarity amongst the world's favourite destinations, now is their chance to secure their preferred lifestyle property or retirement haven.

Our Spring Auctions offer excellent opportunities for buyers and we expect a vigorous response from a large number of people who have been waiting to act.

Kind regards,

Dan Neylan
Principal
